NEWS/EDITOR'S NOTE

I miss normal life! Who's with me?

It is one of the best the best things, getting to stay home and raise your family. I don't have an alarm clock beeping in my ear to wake me every day. Most days I wake to my 14 year old making some amazeballs breakfast! Our house is cleaner than it's been in a very long time. We have had time to learn and play games as a family. We have lost weight, even though we are eating big old family meals. I kinda feel like I jumped out of one of the homes on Edward Scissor Hands. Just a good ol home maker with a happy well taken care of family (who's broke, lol).

BUT

I MISS YALL, I MISS TATTOO CONVENTIONS, I MISS HOTEL STAYS!!!

I know one day it will all come back, probably with some new rules, but when?

On IG, we have seen many of our partners and friends who are canceling the 2020 season. Our last convention was in February in Tyler, TX, we had plans to also attend McAllen and Arklatex (previously Longview). All the dates have been reset and we hope we will be able to get a little taste coming up soon.

We have a ton of "family" who have been affected by this virus, it's a very scary time, I just can't wait until we can get back to normal.

There are so many necks I need to hug!

Y'all please stay safe. I can't imagine a world without any of our Texas Artist. ~ Nikki B.

"FASHION IN MY FRONT YARD"...

was design to give local Dallas creatives, models, designers and artists, a way to feel normal again. A reason to get up, get dressed and those creative juices flowing again. All I told them was to make the look their own but make it fashion. I shot these in 30min session, traveling from front yard to front yard, always maintaining a safe distance. Safety was priority.

I HOPE THIS SERIES INSPIRES, MOTIVATES, AND ENCOURAGES OTHERS THROUGH THIS PANDEMIC. WE ARE ALL IN THIS TOGETHER. ~ AMANDAMARIE
